```
C, pasted on Aug 17:
```

```
1
     #include<stdio.h>
 2
     #include<conio.h>
 3
     int main()
 4
 5
             int i, n;
 6
 7
             float S;
 8
             S = 0;
 9
             do
10
                     printf("\nNhap n: ");
11
                     scanf("%d", &n);
12
13
                      if(n < 1)
14
15
                              printf("\nN phai lon hon hoac bang 1. Xin nhap lai !");
16
             }while(n < 1);</pre>
17
18
             for(i = 1; i <= n; i++)
19
20
                     S = S + 1.0 / (2 * i);
21
22
23
             printf("\nTong la: %f", S);
24
             getch();
25
26
             return 0;
27
```

Output:

```
1 Line 17: error: conio.h: No such file or directory
```
