C, pasted on Aug 20:

```c
1    #include<stdio.h>
2    #include<conio.h>
3    #include<math.h>
4    int main()
5    {
6         int i, n;
7         float S, M;
8         do
9         {
10               printf("\nNhap n(n >= 1): ");
11               scanf("%d", &n);
12
13               if(n < 1)
14               {
15                     printf("\nn phai >= 1. Xin nhap lai !");
16               }
17        }while(n < 1);
18        i = 1;
19    M = 1;
20        S = sqrt((float)0);
21
22        while(i <= n)
23        {
24               M = M * i;
25               S = sqrt(M + S);
26               i++;
27        }
28        printf("\nTong la %f", S);
29
30        getch();
31        return 0;
32   }
```

Output:

```
1   Line 17: error: conio.h: No such file or directory
```
